

Mi Nueva Vision

Es importante tener un plan de vida primeramente pensando en que Dios nos permita vivir, y de esta manera podemos cumplir metas.

Dos Meses: Primeramente Dios ya estaré de regreso de vacaciones, ya más relajada, pero más que lista para seguir aprendiendo de las oportunidades que se me presenten y sobretodo seguir apoyando en la escuela de mis hijos, para mi es una satisfacción personal el estar ahí para ellos y ver su progreso tanto académicamente como personas de bien.

Dos Años: Primeramente Dios ya mi hija estará en la universidad estudiando su carrera de medicina, y mi hijo estará en el onceavo grado, preparándose para su último año de escuela, yo espero en Dios tener un mejor trabajo para poder desempeñarme de acuerdo a la experiencia que tengo y de esa forma trabajar haciendo lo que me gusta y sobretodo beneficiarnos más como familia.

Veinte años: Primeramente Dios tener ya mi casa, ver a mis hijos profesionistas, posiblemente casados con su familia y yo ya retirada.

Esta es una invitacion muy especial a todos los Papas que esten interesados en extender sus conocimientos sobre computacion e incluso si no tienen ningun conocimiento; en estas clases podemos aprender lo basico al igual que nos ayudan mucho a entender las necesidades de nuestros hijos y podemos actualizarnos en todo lo referente a sus vidas cotidianas.

El distrito escolar ha sido muy generoso en ofrecer este tipo de cursos para todos los padres interesados y realmente muy beneficiosos.
